BRIEF DESCRIPTION	Bananas are fruits, botanically recognizable as a berry, which are grown across at least 107 countries mainly across South East Asia, South America and the South of Africa. Once the harvest is collected the bananas are peeled by hand before being drum dried and ground into powder. Banana Powder is a very versatile product and can be used to add a natural banana flavor to smoothies, cakes, juices and ice creams.
INGREDIENTS	100% Organic Banana
SUGGESTED USE	5g per day. Please consult your doctor before taking any nutrient-dense products.
PRODUCTION PROCESS	Raw material reception - sterilizing - peeling - mashing - dehydrating - sieving - milling - metal detector - packing.
SHELF LIFE & STORAGE	24 months from manufactures date. Store in a cool, dry area, do not freeze, and keep away from strong direct sun light.

ALLERGEN STATEMENT

We hereby certify that Banana powder sold by VehGro bv does not contain any substances causing allergies or intolerances as ingredients or by possibility of cross contamination. The list of allergens which are likely to cause adverse reactions in susceptible individuals is provided in Annex II of Regulation (EU) No 1169/2011. Please note that this statement is based on the information provided by the manufacturer of the product.

AUTHENTICITY

Organic Banana Powder is 100% natural and does not contain any additives such as sugars, acids, colorants, preservatives, etc.

GMO FREE

Organic Banana Powder is not subject to genetic modifications. Process controls are in place to ensure no accidental contamination with genetically modified materials, or materials derived thereafter, can occur. We hereby certify that Organic Banana Powder is not subject to labeling under EU Regulations 1829/2003/EC and 1830/2003/EC on genetically modified food and feed.

PESTICIDES

Organic Banana Powder complies with the requirements outlined in Council Regulation (EC) No. 834/2007 (and consecutive amendments). During the manufacturing process the product and the packaging materials are not exposed to pesticides or pesticide residues. Pesticides are not stored on site, nor used in the manufacturing or warehousing areas.

IRRADIATION

The product has not been irradiated and complies with the EU regulation 1999/3/EC.

BSE STATEMENT

Organic Banana Powder is produced exclusively from plant source, and does not contain any components from animal origin. It has not been derived from any animal source, and has not come into contact with any components of animal origin.

RESIDUAL SOLVENTS

No residual solvents are used in the manufacturing process.

LEVEL OF UNDESIRABLE SUBSTANCES

The strictly controlled production process of Organic Banana Powder ensures that the undesirable substances levels (heavy metals, PAH, mycotoxins, etc.) are below the limits identified by EU legislation (Commission regulation No 2073/2005, No 1881/2006 and consecutive amendments), including the recommendations provided by EFSA on food contaminants.

ANIMAL TESTING STATEMENT

Go VehGro b.v. confirms that we do not conduct or commission animal testing of any products.
